

## NCREIF ATTRIBUTION SURVEY

Presented at the October 2009 Conference.

50 Surveys sent to mainly advisory firms who were on the email lists as attendees of the Research and Performance Measurement Committees.

15 responses included in the following charts and data.

Attribution of the 15 respondents is as follows:

11 Data Contributing Members (\$131.3 billion as of 12/31/08) and  
4 Non Data Contributing Members.

3 responses from firms indicated that they do not do attribution analysis.

Survey in the process of being re-circulated to obtain additional responses. Survey results are anticipated to be updated 12/31/08.
