# Mission Statement Review

**NCREIF**  
Summer Conference  
2022

- *The mission of the NCREIF Information Management Committee is to provide leadership and guidance in the administration and use of real estate investment information.*
- *The mission will be accomplished through programs and goals that will:*
  1. *Increase awareness of the value and benefits of effective information management and data governance to facilitate investment decision making*
  2. *Provide education and sharing of knowledge among NCREIF members*
  3. *Collaborative teaming with other NCREIF Standing Committees to understand current business needs, challenges and define data standards*
  4. *Work jointly with leading technology vendors as their systems evolve to meet the needs of the industry*
  5. *Pursue opportunities to identify and create initiatives to meet the needs of clients and consultants*
  6. *Partnership with NCREIF's internal Information Management team*

# Mission Statement – Proposed Changes

1. *Increase awareness of the value and benefits of effective information management and data governance to facilitate investment decision making*
5. *Pursue opportunities to identify and create initiatives to meet the needs of clients and consultants*
  - *Proposed Change: Remove from Mission Statement*
    - *RFP Initiative was unsuccessful and committee decided not to proceed.*
6. *Partnership with NCREIF's internal Information Management team*
  - *Proposed Change: Partnership with NCREIF's Technology team*
