

Winter Conference Cancellation Update

Hello NCREIF Winter Conference Participants,

I would like to provide you with an update regarding the cancellation of the Winter Conference in Phoenix.

The program will now take place July 13-16 at the Arizona Biltmore in place of the Chicago conference. We expect to follow the same program that was scheduled for March, and the overview agenda is outlined below. Full details about the summer program will be available soon.

There is no need to contact the Biltmore to cancel your guest room reservation, I am working with the hotel to cancel those reservations and all deposits will be refunded to the credit card on file next week. I will be working closely with the hotel to be sure those are processed.

A new reservation link at the Biltmore is now open for the summer conference. The rate will remain unchanged. Please secure your guest room as soon as possible to avoid having to stay at an alternate hotel!

Conference registration fees will be automatically transferred and applied in full toward the summer conference. If you are not able to attend the summer conference please just let me know and we will provide you with options.

Thank you all and I will continue to be in touch as we move through this process!
